Extra Ankle Padding (\$35) Up to ¼" Extra Padding
Lightweight Design (\$50)
X-Line Design (N/C) A special boot last that allows for Rounder Toe Box, Fuller Arches, and Narrower Heels

X-Line Design: All stock boot models are available in the X-Line Design for no additional charge. The X-Line Design is a special boot last that allows for a rounder toe box, fuller arch, and narrower heel.

Available Sizes: All stock boots are available in Junior Sizes (9-3 ½) and Regular Sizes (4-16) in EE – AAAAA widths. Combination widths and double combination widths are available upon request. Combination widths are available with one width difference (Example: C ball and B heel width, B ball and A heel width, etc.). Double combination widths are available with a two width difference (Example: C ball and A heel width, B ball and AA heel width, etc.).

Production Time: Allow approximately 6-7 weeks for all stock boot orders that are not in current inventory. If stock boots are in inventory, but need to be modified, please allow approximately one week before the boots are completed. Varnish and Chem Glaze Sole Finishes will add about one week to production.

Deposit: There is a minimum \$200 deposit required for all stock boot orders. Deposits are NOT refundable once production of boots has begun.

Returns/Exchanges: All added options—except for Natural Soles w/ Wax Finish and growth or poron insoles—make a boot modified and NOT returnable for refund or exchange. All uncommon size boots are NOT returnable for refund or exchange (combination widths, double combination widths, junior sizes, large sizes, narrow sizes, and wider sizes). Any boot that was in Harlick's inventory when purchased may be returned for refund or exchange—even if the boot was modified or is an uncommon size. Harlick reserves the right to charge a minimum 10% restocking fee for all returned stock boots.
